

# The Rabbit proudly presents its Easter crafts 2021 special

# Cheeky chicken

- ✓ calming music or audio book
- ✓ good amount of space, comfortable seat, easy-to-reach table top for kids
- ✓ table pad for protection (can be any spare paper, cartons, etc.)
- ✓ felt or paper for main body, eyes (mini pompoms are also fun), paper for the beak
- ✓ scissors, ruler, glue, some sort of paperclip
- ✓ combine colors and materials. Don't limit your imagination and use what you have at home!

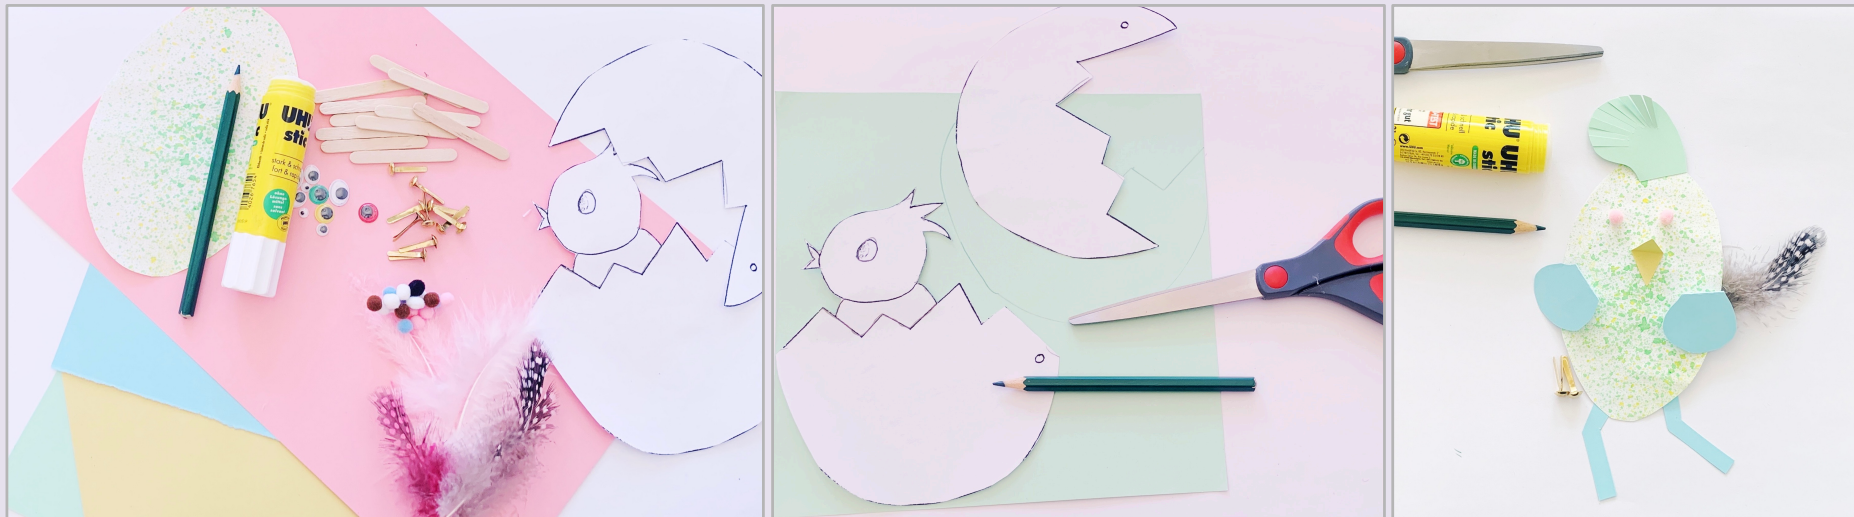

# Woolly Easter Egg

- ✓ wool, ideally thicker as easier to glue onto egg, artificial eggs
- ✓ scissors, glue and the back end of a pencil to push down wool at the beginnings and endings

# Chicken Run

- ✓ template – either download from the internet or be daring and do your own drawing!
- ✓ paper, eyes (mini pompoms are also fun), feathers (alternatively use paper and cut endings thinly), brass fastener (not a must, you can also just glue legs), wooden pick if you want to attach your chicken in a flower pot or else
- ✓ scissors, glue, pencil

# Easter cards with a personal touch

- ✓ template – either download from the internet and cut out, use seasonal baking forms or be daring and do your own drawing!
- ✓ paper, felt, use what you have at home
- ✓ scissors, glue, pencil

The Rabbit wishes you a sunny and creative  
Easter vacation!
